Comments
Vaidehi is an excellent TA who was well prepared at every step of the way. Though I felt like the TA sessions were a bit overstuffed with material, attempting to lay out all the details of three or four research papers in a limited class time, Vaidehi was very thorough in communicating these ideas.
she was great
Vaidehi did a great job of covering the empirical research portion in this class. She goes through the slides a bit fast (which makes sense since some weeks had a lot of information to cover) but is thorough and good with answering questions during discussions.
N/A – great TA
I did not interact much with Vaidehi but I heard great things :)
